

## Visa Information

When marrying a Ukrainian woman, U.S. citizens typically apply for a K-1 Fiancé(e) Visa. This visa allows the Ukrainian fiancé(e) to enter the United States for the purpose of marriage. The couple must marry within 90 days of the Ukrainian partner's arrival. For citizens of other countries, the process of bringing a Ukrainian wife to your home country may vary. Generally, you will need to apply for a specific type of visa, such as a fiancé(e) or spouse visa. It is crucial to consult your country's immigration authorities and follow the appropriate procedures and requirements.
